University of Alabama in Huntsville (2021-2025)

Bachelor of Arts in Psychology, Minor in Sociology

Lincoln County High School (2017 -2021)

Fayetteville, TN - High School Diploma

SKILLS

- **Figma & FigJam**
- **Prototyping & Component Variants**
- **User Flows & Wireframing**
- **Adaptability & Critical Thinking**
- **Microsoft Word & Excel Certified**

LANGUAGE SKILLS

- **English (Fluent)**
- **Spanish (Basic proficiency)**

WORK EXPERIENCE

UX/UI Designer, Cirkle LLC (August 2025 - December 2025)

- Designed and iterated interactive dashboard pages to improve usability and accessibility
- Built and tested prototypes in Figma, applying component variants, user flows, and wireframes to create scalable designs.

Assistant Manager, UAH Fitness Center (June 2022 - December 2025)

- Oversees daily operations and supervise student staff.
- Manage membership services, process cancellations, and address member inquiries.
- Monitor and reconcile daily financial reports to ensure operational accuracy.

UX/UI Research Assistant, UAH (May 2025 - August 2025)

- Contributed to the design of an AI-powered dashboard to support future deployment in real-time swarm robotics and emergency response scenarios.
- Collaborated with cross-functional teams to define style guides, usability standards, and design documentation for integration.

Receptionist, Custom Family Care (2024 - 2025)

- Provided front-desk support in a fast-paced medical office, managing patient intake, scheduling, and insurance verification.
- Communicated with patients and staff to ensure smooth clinic operations and a positive care experience.
